UNITED KINGDOM

London underground users stripped down to their briefs on 8th January for the 'No Trousers Tube Ride'.

This bizarre event started 20 years ago in New York and has since spread to 60 cities across the world.

## **UNITED KINGDOM**

As Scotland **considers** another independence

referendum, Rishi Sunak **visited** last Friday for a very **carefully** organised trip. He went to the Highlands and toasted marshmallows

with a Sea Scouts community group.

## **UNITED STATES**

A 20-foot-long humpback whale washed up on the New Jersey shore last week. A half dozen other dead whales have been discovered on the New Jersey-New York coastline in just over a month. This has sparked concerns about the harm offshore wind development in the area poses to marine life.

### **UNITED KINGDOM**

ANTARCTICA

"As It Was" by Harry Styles was the most streamed **track** on Spotify last year with 1.5 billion plays. The British superstar also scored a double whammy with the UK's biggest selling album and single in 2022.
